Springdale, Arkansas

Take the Minute

History and geometry
I learned my lessons well
I can read and write
And on a good day I can spell
There are lots of things in life
In school you never learn
And so I keep my eyes wide open
Every time I turn a corner
Every time I see a clock-hand turn

Take the minute
Hold it in your hand
Make the minute
Something you can understand
For minutes fly like lightning
Across the summer sky
Hello is the beginning of goodbye.

Take the hour
Hold it to you fast, and
make the hour
something that will last
An hour's like a lifetime
When looking back at spring
And so, don't let the moment get away.

I'm seven hundred winters
From the boy I used to be,
How did the boy I was, grow up
to be a man like me?

Seize the moment
The moment here and now, and
make the moment
good and it will grow
For moments fall like dry leaves
Upon an autumn day
And so don't let the moment get away.

So take the minute
And make it what you will
Take it now or else you never will.

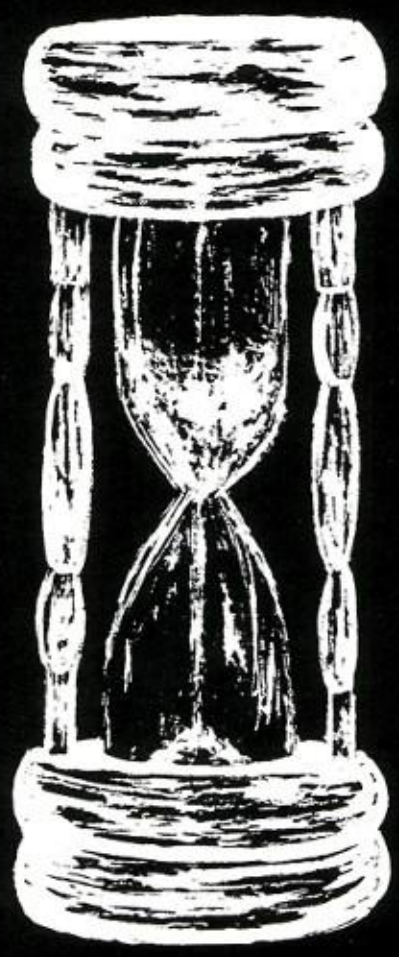
Administration



Mr. Thurman Smith
Superintendent

Mr. Thurman Smith is Superintendent of Springdale Public Schools. He takes an active part in the policies made in the school system and because he is a native of Arkansas he is well-informed and has a great deal of knowledge about Arkansas Schools.

Mr. Smith received his B.S.E. from Arkansas College in Batesville and has since acquired his Masters degree from the University of Arkansas. Having been Superintendent of the Springdale School System for nine years he has made plans and initiated many programs to further the quality of education for all students in the school district.

Board Regulates School Policies

Mr. Norman Crowder

The purpose of the Springdale School Board is to make all decisions concerning the quality and methods of education in the school system. The board looks at programs of other communities to compare situations, to find possible solutions to various problems in the school system, and to make programs already initiated in the system more efficient. The board rules on measures regarding district expenditures, books, faculty, employees, and facilities.

Serving as Administrative Assistants to Superintendent Thurman Smith are Mr. Norman Crowder and Mr. Joe Roberts. Mr. Crowder directs elementary education and government problems in the school system while Mr. Roberts handles all transportation schedules and business concerning them.

"Dogs Are Swingin' Cats"

Becoming a Junior meant growing into a more mature person and setting an example for the other classes.

Several projects were necessary to earn enough money for a great Junior- Senior Prom. The most profitable proved to be the annual fruitcake sale.

The Junior class showed its competitive spirit by winning the float competition two years in a row.

All too fast, fall activities fade into those of spring, But at any time of year, to our **Alma Mater** we proudly sing:

Oh, our school, we salute you—
You are now our guiding light.
To you we're ever true, as
To the red and white.

Oh, we pledge our loyalty
To dear old Springdale High.
In loss or victory
Her praises we shall ever cry:

Support the red and white.
Let come who will or may;
We'll help the Bulldogs fight
By cheering when they play,

But win or lose the fight,
We'll fight with all our might
And fly the colors of the red and white.
In the sacred halls of Springdale
Where our Bulldogs lived and learned
And through the years we'll love them, as
We do the red and white.

Love is Chorus

The Chorus of 1971-72 had a very active year. First they sold candy for Halloween and made a profit of about $800.00. The Chorus made new, red maxi dresses for the girls' uniform. For Christmas, Chorus sang at the Trade Winds for the Faculty Christmas Dinner. They also sang at elementary schools, rest homes, and went through the halls of the Springdale Memorial Hospital for Christmas. Later they sold Drix Multi-Purpose Cleaner to earn money to go to All-State in Hot Springs. There, the Chorus received a rating of two 1's and one 2.

Words can't express the enthusiasm Mrs. Pierson has with the Chorus.

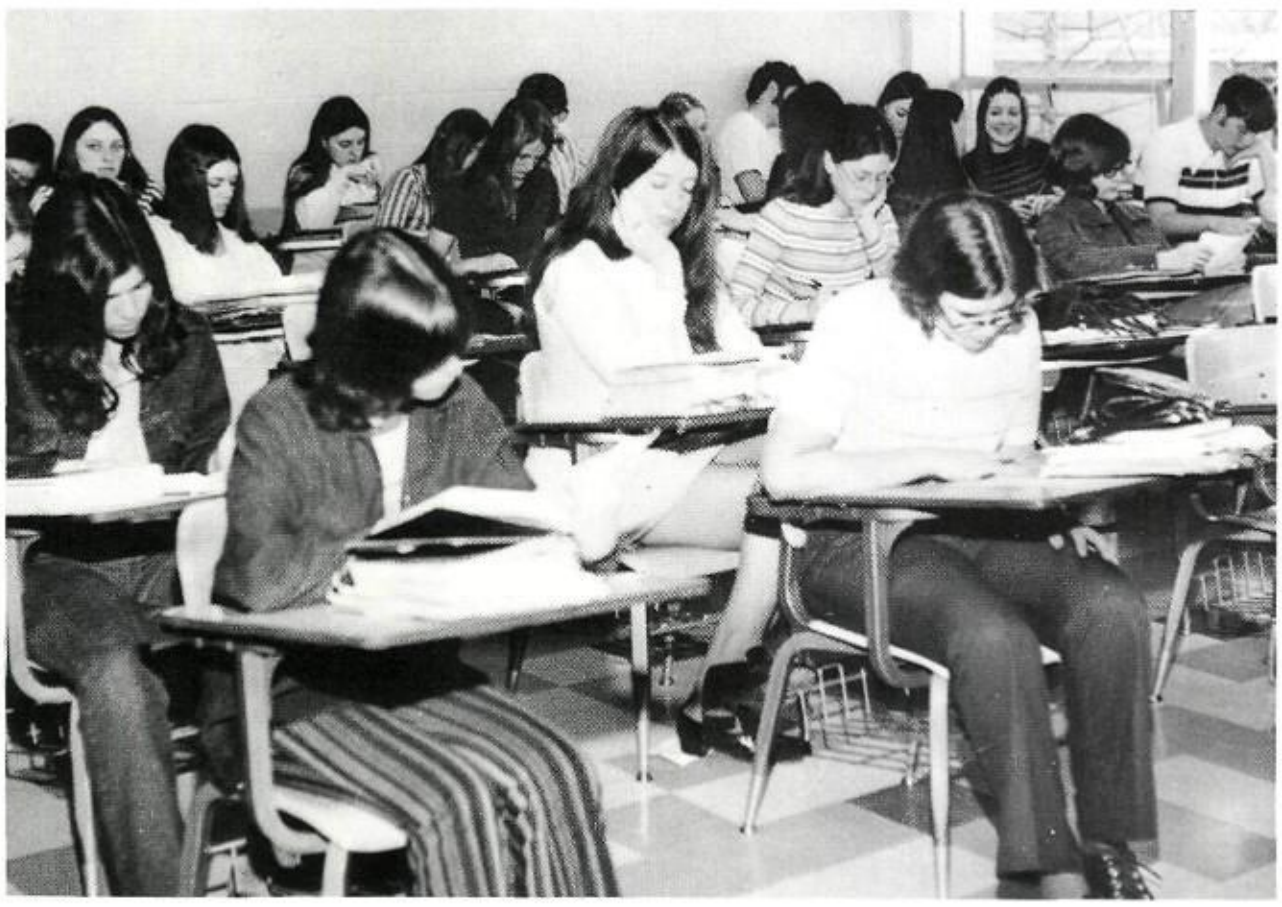
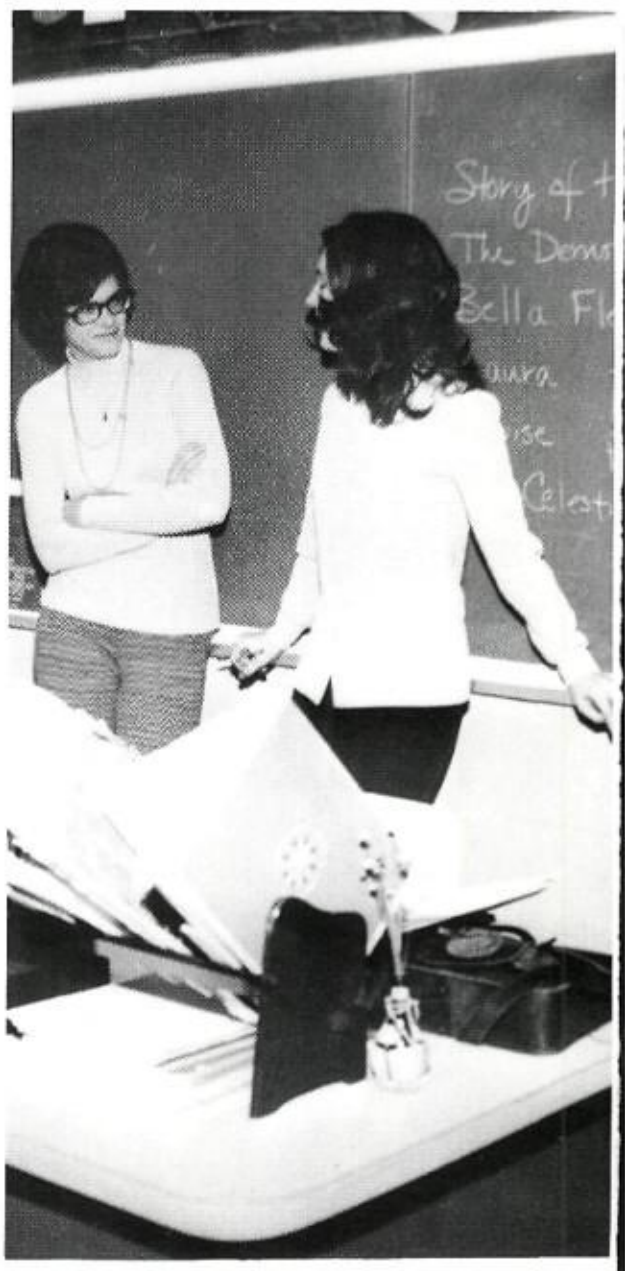
Mystery Battles Belles Lettres Staff

Belles Lettres is a collection of prose and poems written by the students of Springdale High School and published annually by the Junior Class. This is one of the Junior Class' chief money-making projects during the school year. Members of the Belles Lettres staff contributed many hours of their time toward its publication. However, to the disappointment of many, the original copies and stencils disappeared and were never recovered. So, Belles Lettres was not published this year.





Belles Lettres sponsors, Mrs. Gray and Mrs. Perkins.

New Pep Club Forms Drill Team and Pom-Pon Girl

The '71-72 Pep Club had the largest membership in Springdale history, with 120 girls on the football roll. New uniforms of red jumpers and white boots were adopted and worn throughout the year. Pom-pons, donated by the Booster Club, were greatly appreciated.

For the first time at SHS, two new groups, the Drill Team and Pom-Pon Girls, were established. The Drill Team performed at football and basketball games, presenting marching routines with pom-pons and hats. The Pom-Pon Girls presented dancing routines at basketball games.

All the girls worked in money-making projects such as selling ribbons, sweatshirts, and having a car wash. The money was used to pay for part of the uniforms and chartering bussess to games.

New sponsors, Mrs. Pierson and Mrs. Hawkins, worked very hard to make this year's pep club successful.

Youth for Christ is an organization that was newly formed this year for only one purpose—the glorification of God. It provides a way for students of all Christian faiths to join in putting their love into action. Youth for Christ sponsored a Christmas party for the children at the Tyson's Day Care Center and held a Jesus Rally at the end of the year.

Interact, a new organization dedicated to the idea of service to the community, was formed this year. This club is sponsored by the Rotary Club with Mr. Hawkins as faculty sponsor. This year the club mainly focused on future projects and set down ground rules for the club's activities.

Yearbook Staff Honors Two Teachers

Mr. Clinton Alexander received his B.A. from Ripon College in Ripon, Wisconsin. He then earned his Masters in Education at the University of Arkansas. He has taught a total of fourteen years, eight of which have been at S.H.S. In appreciation of his fine work, the yearbook staff proudly dedicates this annual to him.

Mr. Claude Johnson was graduated from the University of Arkansas with a B.S.E. before beginning a long and successful teaching career. This career has lasted forty-eight years, and Mr. Johnson has taught for the last nine of these at Springdale High. He has been an inspiration to his students and the school, and it is with pleasure that the staff dedicates to him the *1972 Bulldog*.

Work

Henry van Dyke

Let me but do my work from day to day,
In field or forest, at the desk or loom,
In roaring market-place or tranquil room;
Let me but find it in my heart to say,
When vagrant wishes beckon me astray,
"This is my work; my blessing, not my doom;
Of all who live, I am the one by whom
This work can best be done in the right way."
Then shall I see it not too great, nor small,
To suit my spirit and to prove my powers:
Then shall I cheerful greet the laboring hours,
And cheerful turn, when the long shadows fall
At eventide, to play and love and rest,
Because I know for me my work is best.
